

RAPID RESPONSE, MULTI-TERRAIN, FIREFIGHTING DRONES					
Model		Payload	Product Details		Pricing
WK-1900 Basic, Spray or Water Hose		110 lbs	Ready to Fly (RTF) Remote control 30x Optical Zoom Camera Gimble Brushless Motor Battery & Charger  Water Hose		\$95,600
		3.7 Miles			
WK-1800 Spray Or Water Hose		44 lbs, 3.7 Miles  3.7 Miles	Ready to Fly (RTF) Remote control 30x Optical Zoom Camera Gimble Brushless Motor Battery & Charger  Water Hose		\$85,600

DRONE ACCESSORIES					
Model		Product Details			Pricing
Break-Window Module		Quickly breaks windows for access.	Simple installation.	Safe and reliable operation.	\$ 3,800
Water Spray Module		High-pressure water supply can be connected to fire hydrant and fire truck.	Spray pipe material: carbon fiber.	Telescopic length: expanded length is 3.04m (Minimum can be reduced to 1.61m)	\$3,250
High Altitude, Fire-bomb Launcher Module		9.2m <sup>3</sup> extinguishing capacity	Maximum range: 50M.	Category: ABC ultrafine dry powder	\$985
Dry Powder Fire Extinguishing Tank Module		Dusting tube is carbon fiber material.  Total module weight of 38kg.	Fast opening mode.	Length expanded is 4.33m (can be reduced to 1.5m)	\$780

EARLY DETECTION/EARLY WARNING - THERMAL CAMERA SYSTEMS					
Model		Product Details			Pricing
Pan/Tilt/Zoom		Mounted on Telescoping Pole with AI software	Vision up to 5 miles	Transmits live video to the firefighters & command center	\$65,300
Spherical		Mounted on Telescoping Pole with AI software	Vision up to 5 miles	Transmits live video to the firefighters & command center	\$65,300
Thermal Camera Trailer		Thermal Camera  AI Software	Weather station	Solar panel power system  Backup battery	\$152,400
Fire Drone Tower	 	Permanent Fire Drone Tower  Thermal Camera  Weather station	Drone unit mounted on top section.  14' x 14'  20'- to 30' tall	AI software transmits alert to drone and provides the fire location  Bottom section can be used as water tank storage	\$650,000+

# KILLFIRE

Early Detection, Rapid Response Fire Detection & Mitigation Systems

## ACCESSORIES

ACCESSORIES					
Model		Product Details			Pricing
Weather Station		Temperature Humidity	Wind Speed Wind Direction	Rainfall Atmospheric Pressure	\$5,860
Motion Detector		Mounted on Thermal Camera Tower	Detects Motion	Theft Protection	\$145
Alarm Speaker		Sounds in the event of Intruders			\$125
Outdoor Audio		Voice Intercom System	Immediate 2-Way Communication		\$125
Surveillance Camera		Mounted on Thermal Camera Tower		Theft Protection	\$395

### TRAILERS

TRAILERS					
Model		Product Details			Pricing
<b>Fire Retardant Spray Drone Trailer</b> 		WK1900 Drone 12 Fire retardant Cannisters Three recharging units Air Conditioned	Anti-Fire paint body Tesla Powerwall units 15 lithium batteries and charger.	Medical Supplies Single person operation	\$253,000
<b>Thermal Camera Trailer</b>  		Thermal Camera AI Software	Weather station Solar panel power system	Backup battery	\$152,400

### WATER TANKS

WATER TANKS					
Model		Product Details			Pricing
<b>Permanent Water Tank</b> 		Autonomous Tank System. Multi-units are linked by pipeline with spray units (to make a water wall).	Each tank communicates with thermal camera system software. Sprays water according to fire situation	Installed above ground or underground.	\$400,000+
<b>Mobile Water Tank</b> 		XF600HTB Diesel-Powered Water Pump 24 ft Folding Arm Hose	Sprays Up to 120 ft Helps form water lines	Basic Firefighting experience needed	\$120,000+
